Dear Mr. Cheng Chung Ming,

**Appreciation of Officiating the Green Carnival 2015**

On behalf of Green Council, I am writing to express our sincere gratitude to The Hong Kong Radio Control Soaring Society for being the officiating guest of the Twelfth Green Carnival and the Fourteenth Creative Eco-Model Tournament held at Kowloon Park's Piazza on 1<sup>th</sup> February 2015. A summary of the Carnival's highlights is enclosed for your perusal.

The support from The Hong Kong Radio Control Soaring Society had helped this event become a great success. This year's Carnival was attended by an overwhelming number of teachers, students their family members and general public. For the Fourteenth Creative Eco-Model Tournament, CCC Wanchai Church Kei To Primary School (Kowloon City) won the Champion of Primary School among 37 team and Immaculate Heart of Mary College won the Champion of Secondary School among 98 team.

Apart from the Eco-Model Tournament, various stage performances, game booths, mobile show rooms, and passports were provided for all participants. The theme of the Green Carnival this year is waste separation as a mean to reduce waste problem in Hong Kong. We believe that the message had been disseminated to the participants successfully. Nevertheless, we welcome your recommendations on this event for further improvements.

Once again we would like to express our gratitude to The Hong Kong Radio Control Soaring Society's support. We look forward to have your support and assistance to our forthcoming events and activities in the near future.

Wishing you a prosperous Year of the Ram.

Yours sincerely,

Linda W P Ho
